Welcome to the 2022 Topsham Fair

I am excited to start planning for our 2022 fair. What a great season we had in 2021, I hope our 2022 fair will be just as exceptional for everyone.

My goal is to offer our 2021 vendors the same site(s) as last year as long as your application is returned by **MAY 1st, 2022**. We enjoy working with each of you and are always appreciative when you return. I have a few vendors who are looking to relocate so after May 1st I should have more of an idea where you can move to.

A non-refundable deposit of \$125.00 is due by May 1, 2022. Each vendor will only be given one vehicle sticker for their vehicle and only two (2) week passes. Other passes can be purchased on the contract or in the office the week of the fair. We are trying to keep our prices down and making small changes will help in that endeavor.

Also, due to the rise in electricity prices again we will be including an additional fee of \$45 for those who need electricity for the week. This will help us keep vendor fees the same price as over the years.

Also, we are asking all vendors with golf carts not to ride in and out of the gates or on the midway after 10:00am. We appreciate your help.

I have enclosed a vendor application, terms and conditions (**please initial this page**) vendor contract and camping application. There is information on all four pages that I need to be part of the contract, so please return them all.

If you should have any further questions, please do not hesitate to call me at 207-577-8896 or for a faster response email me at kril62@aol.com. Looking forward to seeing you all at the fair.

Sincerely,
Kathi Yergin
2nd VP Topsham Fair
