Welcome to the 2023 Topsham Fair

I am excited to start planning for our 2023 fair. What a great season we had in 2021 and even bigger in 2022, I hope our 2023 fair will be just as exceptional for everyone.

My goal is to offer our 2022 vendors the same site(s) as last year as long as your application is returned by **MAY 1st, 2023**. **No exceptions this year as so many are waiting to join the fair. I have a waiting list!! A FIRST!!!!** We enjoy working with each of you and are always appreciative when you return. I have a few vendors who are still looking to relocate so after June 1st I should have more of an idea where you can move to or if you can, but as always that is hard to promise but your same site is always guaranteed.

A non-refundable deposit of **\$200.00 is due by May 1, 2022**. Spots are so limited so our deposit price is rising. Our overall price of each spot is staying the same. If you had given your deposit at the end of the fair please return all your paperwork and be sure to mark that on your form.

Each vendor will only be given one vehicle sticker for their vehicle and two (2) week passes as in the past. Other passes can be purchased on the contract or in the office the week of the fair. We are trying to keep our prices down and making small changes will help in that endeavor.

Also, due to the rise in electricity prices again we will be including an additional fee of \$100 per spot for those who need electricity for the week. This will help us keep vendor fees the same price as over the years.

I have enclosed a vendor application, terms and conditions (**please initial this page**) vendor contract and camping application. There is information on all four pages that I need to be part of the contract, so please return them all.

If you should have any further questions, please do not hesitate to call me at 207-577-8896 or for a faster response email me at kril62@aol.com. Looking forward to seeing you all at the fair.

Sincerely,
Kathi Yergin
2nd VP Topsham Fair
